On the Edge

With another school year vastly approaching the students of BHS, they were on the edge of becoming the Fantastic Seniors, Terrific Juniors, Outstanding Sophomores, and the Sensational Freshmen, providing a "dynamite" school!

The 1986-87 school year brought great achievements to several organizations. The football team advanced to semi-state competition.

John Harmeyer finished eighth in the state cross-country meet; the band made its television debut in Chicago; the academic team displayed its expertise. Several other organizations were on the edge of greatness as well.

We reflect on the 1986-87 school year with great fondness remembering all of the good times, and anticipating being on the edge of a new endeavor each day.

Eric "Scholar" Demalon towers over a very enthusiastic crowd.

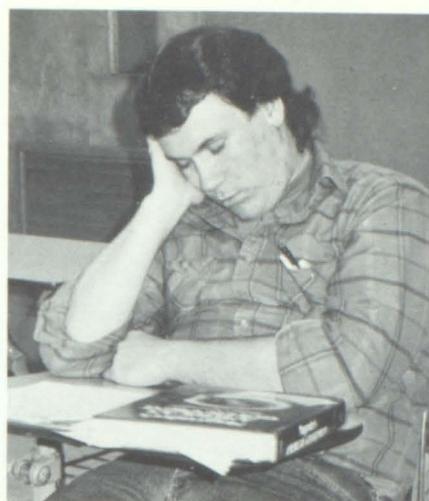

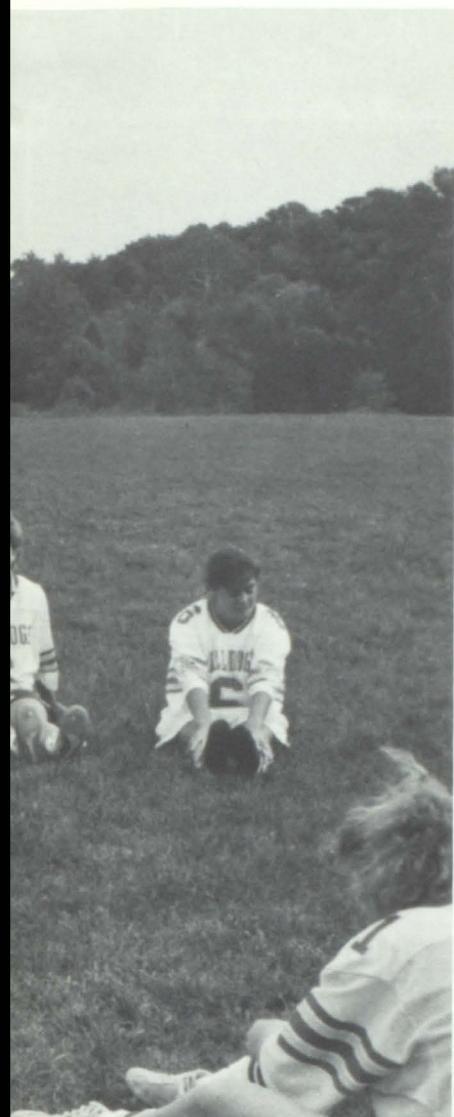

Seniors Dominate in Powder Puff Game

It was September 23, and the students had been waiting eagerly all day for the announcement that classes were dismissed for the annual Powder Puff soccer game. The tension mounted as the two teams stepped onto the freshly lined field to engage in battle. The students settled into their seats and the game began. The seniors kicked off and quickly went down field battling the Juniors' defense. Mary Ekins got the pass and took a shot at the goal to put the Seniors on top 1 to 0. The Juniors kicked off, only to have the Seniors steal

the pass.

The first half ended with the ball trading possession several times. The second half started with the seniors once more going down field to score. That time it was Julie Amberger scoring the goal. The Juniors tried to battle back, but they were unable to penetrate the Seniors' defense. To close out the game, Mary Ekins once more stole the ball and took it all the way to score. The gun sounded ending a most exciting game with the Seniors winning the game 3 to 0.

Everyone Loves a Parade

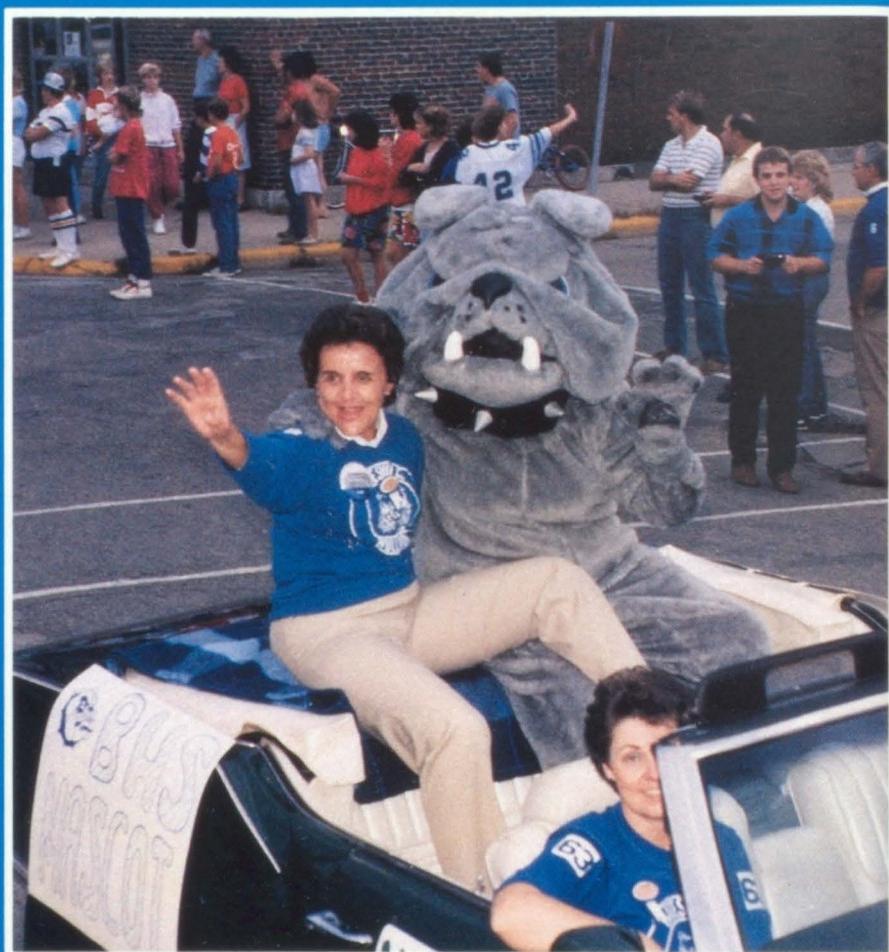

Everyone loves a parade. At least everyone at the annual Homecoming Parade did. The parade was held Friday, September 25, at 6:00 p.m. Following the same route as in previous years, it began on Mullberry Street in front of the pool and ended up at the football field. The parade was led by "Billy Bulldog", acting as Grand Marshall. Next came the drill team, majorettes, and the high school band marching to "Fire Up". Then came the floats.

The winning float was the Senior float. The class of '87' made it to the top with a surfing Lawrenceburg Tiger who was about to be hit by the "Big Blue Wave".

Among other entries in the parade were the graduating classes of 1961 and 1966, the Junior Powder Puff Team, Wiley's Coyotes, the Freshman Football Team, the cheerleaders, and several cars from Nobbe Motors.

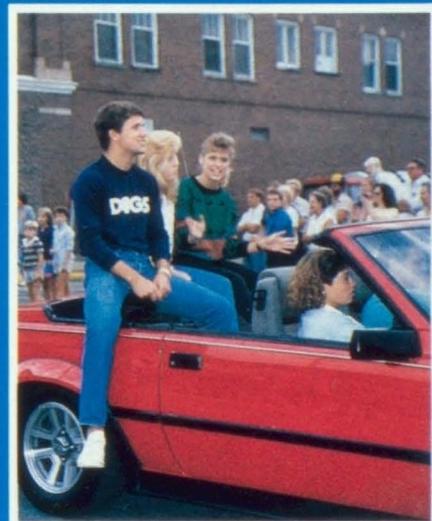

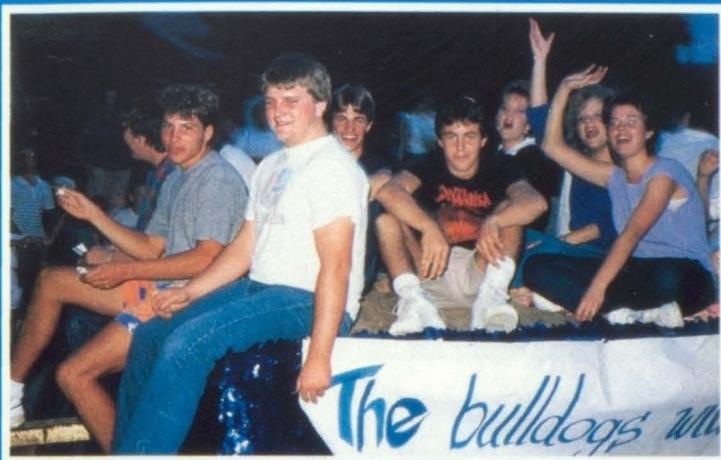

Above Right: Billy Bulldog and Mrs. Voegele enjoy a moment during the Homecoming Parade. Right: Now here's a bunch of wild and crazy people. Above: The Senior Float took a big first place in the class float competition.

Bulldogs Fall to Tigers

This year's homecoming game was scheduled for Friday night, September 26, but due to rain and lightning the game was postponed until Saturday night. Before the game a ceremony was held for Bobbi Vicars where Coach Scalf and the team presented her with an autographed game ball.

As the game began, it was the Bulldogs kicking off to the Lawrenceburg Tigers. Within the first quarter, the Tigers scored twice. By halftime the score was already 28 to 0 in favor of the Tigers. The Bulldogs were forced to come out fighting and were able to score twice, holding the Tigers to only one more touchdown. Although the Bulldogs tried hard to fight back, the final score was 35-14.

Above Right: Coach Seright and Manager Dike give the Bulldog defense a waterbreak. Above: Todd Simpson catching a long pass vs. Lawrenceburg. Left: Brebs waits contentedly for the snap of the ball.

BHS' New Queen

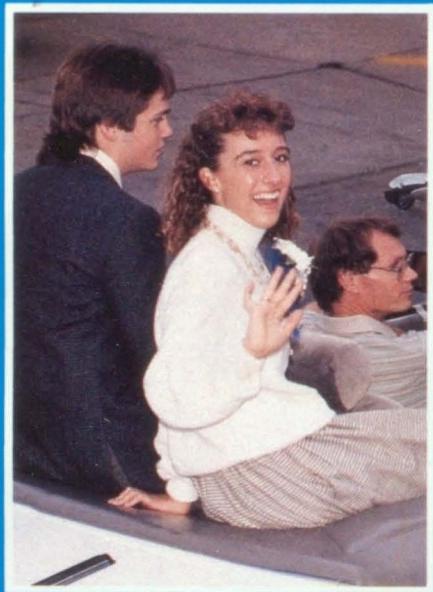

In future years when thinking back, no one will forget who was crowned homecoming queen. This year's candidates were driven through town in royal fashion in this year's homecoming parade.

This year's Senior candidates and their escorts were Mary Ekins and Steve Galle, Cindy Wirth and Jeff

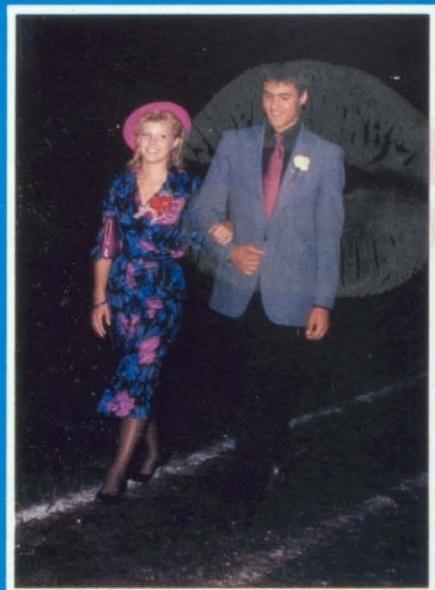

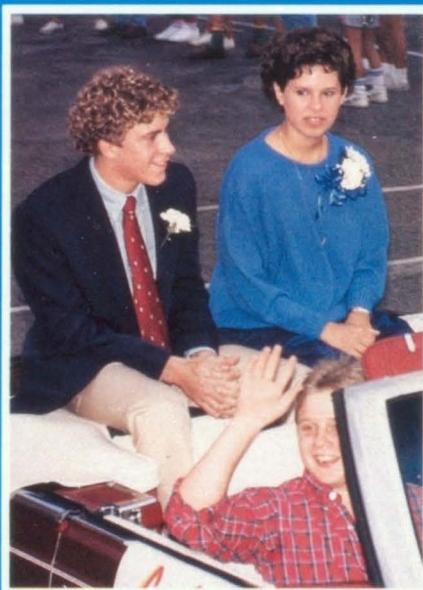

Griewe, Fern Walker and Todd Gigrich. The Juniors were Kris Effing and Dave Decker, Cristin Signom and John Moore. The Sophomores were Gwen Gutzwiller and Jason Hales, Dawn Fledderman and Brad Dickey. The Freshmen were Marcia Nuhring, Ed French, Traci Dickman and Todd Dickman.

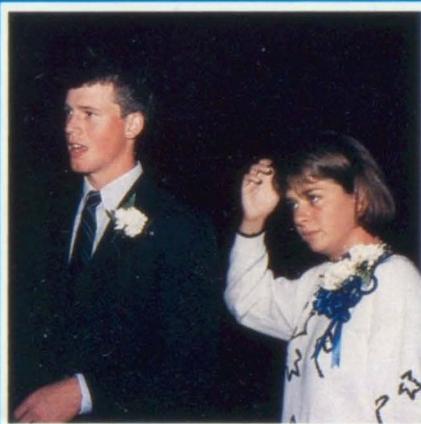

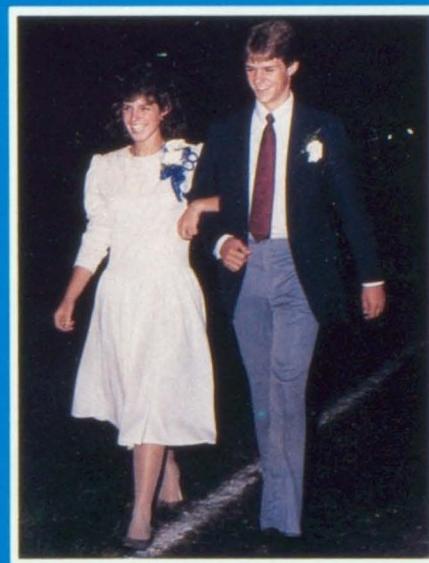

The candidates and their escorts were led center field at halftime for all to see. Cindy Wirth was this year's Homecoming Queen, and was crowned and awarded with a kiss by Jeff Hunter and Doug Voegele, who represented the football team.

Some Real BHS Characters

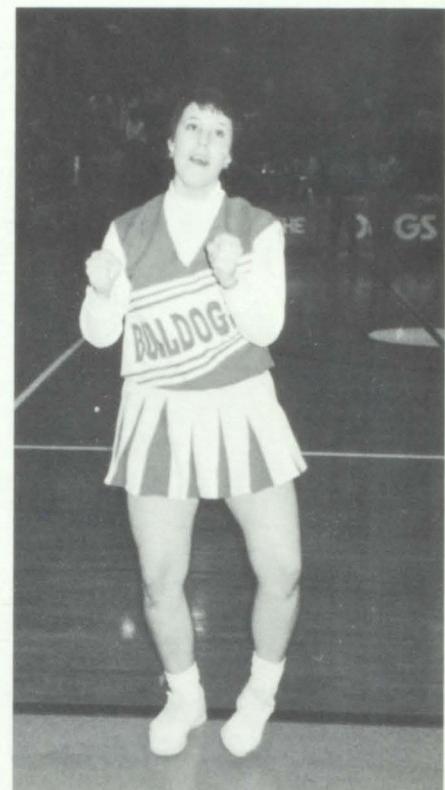

When it comes to characters BHS has the best. In the 86-87 school year no one could say that BHS was lacking in personality. All of us are unique. Each of us has our own taste in friends, food, clothing, hair styles, music, teachers, and courses. However, we all have something in common: the desire for less Mondays and more Fridays, a feeling of anticipation when Batesville teams

play, closeness at Prom, and at graduation excitement about the future, but also sorrow for all the good-byes.

The students of BHS all have unique personalities, different as night and day, but yet we all seemed to be joined together in spirit and growth through education. Don't forget all the characters who helped us live "On the Edge" of excitement.

Excitement in the Night

The Semi-Formal Dance was a grand occasion held from 8:00-12:00 at the luxurious Hill-Crest Country Club on December 28. All the young men came dressed very dapper along with their very stunning young ladies for the night. The happy

couples enjoyed an evening of entertainment and dancing by In-disguise. For the most part the Semi-Formal Dance was a very exciting and enlightening event for the young adults of Batesville High School.

ALBUM

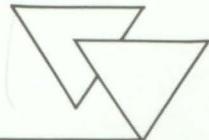

The senior class, acting as mentors for the rest of the school, used their superior intellect and skill to decide on vital issues such as: What color of graduation gowns to get, how to get down to Ft. Lauderdale and back for under a hundred dollars, and how to pass English without studying.

The seniors will always remember the cafeteria food, their award-winning floats, the regional football championship, the smoke bombs in the hallways, and many other memorable events that took place during their four years at BHS.

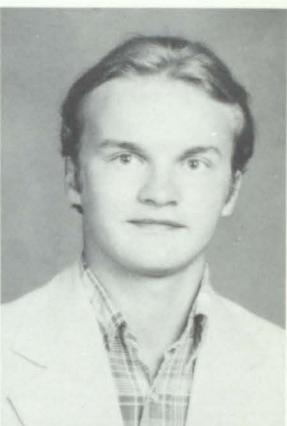

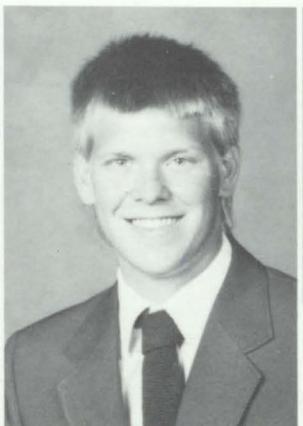

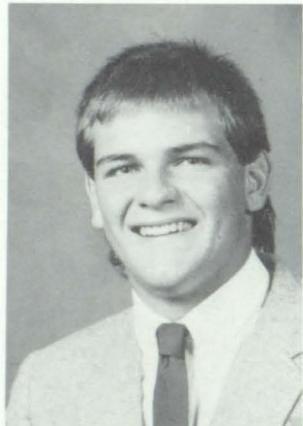

Senior class officers were: Bruce Wiley—President; Mindy Meer—Vice President; Missy Stirn—Secretary; and John Bonafair—Treasurer.

They also sold concessions at all home girls' sporting events as another fund raiser. The Batesville High School faculty has always been considered one of the finest in this area by the students, parents, as well as the community. They are always willing to help in any way they can. The faculty provides students with the education they need for the future, and teaches them the values of society. We are proud to have the BHS staff on our side!

On The Edge

The '87 Bulldog Staff was very enthusiastic this year with the leadership of a new supervisor, Mrs. Grimsley. It seemed every person was "on the edge" and ready with creative ideas. Senior Missy Meyer, the yearbook's editor, did an excellent job organizing her staff and meeting deadlines.

The year started off with the ritual sale of ads and then proceeded to layout designing and copy writing. Everyone was soon noted for a specialized area and continued to work with their specialized talent.

The year was full of hard work, but the staff shared many memorable moments—the van rides to sell ads, stealing the Xmas tree, human pyramids, the slain deer, pizza parties, yard-stick golf, Kris locked in the lounge, and many more.

Finally Missy would like to thank her staff for supporting her ideas and giving her their best effort.

"We're Dynamite"

The Batesville High School Student Council is one of the most active non-athletic organizations at BHS. The theme for the year was "We're dynamite." The group was responsible for many student body activities, which included: dances, convocations, Homecoming, Teacher Appreciation Day, and our annual student activities day.

The council was also involved at the state level this year. Many members attended the Indiana State Student Council Convention, as well as the Representative Assembly. The BHS student council was selected by the state to receive the Honor Council Award.

The student council officers were: Joleen Hales, president; Dan Fasbinder, vice president; Alisa Robertson, secretary; Tracey Meyer, treasurer; and Mr. Brelage, student council sponsor.

PACE (Public Awareness Alternatives, Communication, Education) was created to improve communication by students and decrease peer pressure. The group participated in many meetings and activities to spread their ideas on being a teenager and facing problems in today's society. The organizations' leaders were: Alisa Robertson, Steve Galle, Andy Brebberman, and sponsor Mr. Brelage.

Campus Life

Campus Life is in its third year at Batesville. There are approximately fifteen students involved in the club this year. At each club meeting students have discussions on various topics of interest. It is a very comfortable environment where it is easy to express their feelings.

This year the club was involved in a Rollerthon and went to Florida over spring break.

Key Club

The Key Club, under the leadership of their officers Maureen Schumacker—President, David Sunderman—Vice President, Chris Blum—Secretary, and Kris Effing—Treasurer, has been doing a lot during the year.

The group met on Thursday evenings at 7:00 P.M., and in the afternoon on activity days. The membership improved to 20 members. They sold cookies at the Annual Consumer Show in April. Members were selected to attend the annual convention in Indianapolis April 3-5.

Chess Club

The Chess Club is a new organization at B.H.S. this year. The clubs' meetings are very informal and quite unorganized. The members usually just pair up and play chess together. Mr. Stanbrough is the club's sponsor, which has approximately a membership of ten students. The organization plans no spectacular projects; they just plan to have a fun time playing chess.

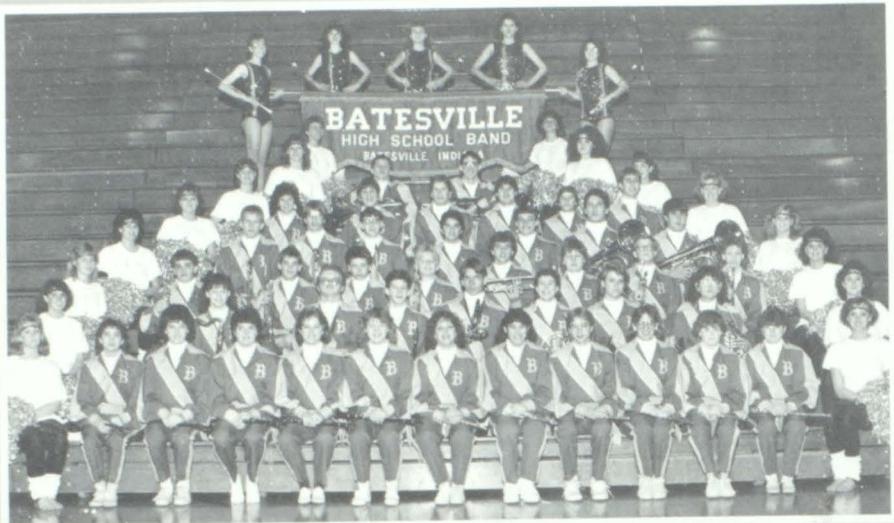

Bridge Club

The Bridge Club is one of the many new organizations offered to B.H.S. students this year. The club seems to have real interest in it with a membership of thirty students. The sponsors are Mrs. Bischoff in the morning activity periods, and Mr. Yarber in the afternoon activity periods. The club held a card tournament in the spring. At the club meetings the members usually play and discuss bridge rules. Many of the members don't limit their play to the club meetings; they play avidly outside of school also.

Band and Pep Band

This year's marching band performed numerous times throughout the school term. Aside from playing at all home games, they functioned as pep band for the Clarksville and Princeton championship games. They really helped to ignite the crowd and support the team at pep rallies and bonfires.

The entire band presented a Christmas Concert, spring concert, and Ice Cream Social as school functions. They also participated in the Ripley County Music Festival, as well as the marching band competition at Western Hills High School. The band was also honored by being invited to participate in the McDonald's Charity Christmas Parade, which was held in Chicago. The event was nationally televised.

Drill Team Sparkles with Smiles

The Drill Team is the visual portion of the band. They perform at football games and boys varsity basketball games as well as parades and competitions. They started their season early in the summer in order to prepare for camp, in which they brought home several exciting routines. In camp these girls competed with girls from other schools and brought home several awards for their fine efforts. The Drill Team was led by this year's captain Jessi Parmer and co-captain Tracy Green.

Gray's Dazzling Performers

The Swing Choir and Chorus got off to an excellent year. The Swing Choir bought new uniforms which gave a sparkle to the group. Both groups performed in the fall, Christmas, and

spring concerts, as well as various organizations in the community. Selected students participated in the Ohio Wesleyan High School Music Festival. Swing Choir traveled to

Lebanon, Indiana, to participate in a contest, as well as to Indianapolis to perform at Union Station. They did a fine job in representing B.H.S.!

The Media Assistants make the library run much smoother and add a helping hand to the B.H.S. student body. The library just wouldn't function the same without the knowledge of these people. The daily routine for these people would include; checking out books, collecting money for overdue books, running the copy machine, and a various number of other grueling activities. They also perform tasks given to them by Mr. Hochstetler and Mrs. Struewing. All of these people perform a valuable luxury to B.H.S. with a friendly smile.

The first year has been a very informal one for the computer club. It is mostly just talking about computers and what all they can do. Once in a while a member may bring in their computer and show the rest of the club what they have learned. Mr. Stanbrough is hoping the computer club will prosper in the future years.

FFA Stands Proud

The Batesville Chapter is proud to be a part of the Indiana FFA Association. In Indiana, the FFA is the only state organization that owns and operates their own FFA Leadership Center. The FFA did well in contests

and judgments this year. Every year the FFA takes several field trips. One of the biggest and most interesting trips was to the Farm Progress Show, which was held in Louisville this year. Apple, cider, and peanut sales were

some of the money making projects over the year. They also assisted in parking cars for home basketball and football games.

Homemakers Come to BHS

The FHA is an organization that helps young ladies to develop and practice their skills for future life. The organization is well represented in office with Holly Dwenger—President, Michelle Adams—Vice-President, Jamie Wells—Secretary, Melissa Vierling—Treasurer. The organization has a membership of eighteen members. The club's sponsor is Mrs. Bischoff, and meetings are in her room, the Home Ec. room, every activity period. This group travels quite a bit visiting such places as Indianapolis, Florence Mall, The State FHA Convention, and Cincinnati. This group also held a mother-daughter banquet on Mother's Day. For many of these students, FHA doesn't stop when school does; many have plans to attend the State Leadership Convention for Home Economics in Indianapolis also. This group of young women are the people who will be taking care of us in the future, and should be appreciated very dearly and will be in the future.

Junior Achievement and Academic Team Experience the Adventure

Both the Academic Team and Junior Achievement "experience the adventures." From participation in things such as the Hoosier Academic Super Bowl to competing with other JA companies to win The Marketing Company of the Year, were some of the experiences of the 1986-87 school year.

The Academic Team, led by

seniors Tony Britch, Trevor Moeller, and Dave Schrader, competed in conference meets in Brookville, East Central, Greensburg, Lawrenceburg, South Dearborn, and in Batesville. They also competed in the fall and in the spring in Knowledge Master Opens.

Junior Achievement ran two companies this year, U.S. Ink and Fan-

tasia. Each ran one semester. Many awards were collected by individuals. Scholarships were awarded to Holly Moody and Tara Whisner. The companies were advised by advisors from Hillenbrand Industries.

With a lot of hard work, both groups were able to experience the adventure and obtain great success!

Spanish and German Club

The Spanish Club consists of about 65 Spanish students. The President is Lee Davidson, Vice-President—Leah Hafer, Secretary—Jackie Niese, and Treasurer—Barb Meyer. The Spanish

Club's major project was supporting a child living in Guatemala through the Christian Children's Fund. The Club raised money for their child by selling candy at basketball games

and doing coat check. The Club also had a lot of fun by doing such things as going skiing at Perfect North Slopes.

The German Club sponsored by German teacher Andrew Koors got off to a slow start in its first year of existence. But future plans were started for a trip to Germany, which will be a student exchange with a high school near Oldenburg, Germany.

The club officers were as follows: President—Kurt Enneking; Vice-President—Jeff Hunter; Treasurer—Jon Stroebel; Secretary—Kris Effing.

The Environmental Club

The Environmental Club is a new and very worthwhile organization which is headed by Mr. Zimmerman. The Club consisted of thirty-five members in the 86-87 school year. The organization is responsible for the maintenance of the outdoor lab which is used by the entire school system. The club planted twelve blue spruce, six white pines, three sugar maples, and one red maple. What a bunch of green thumbs!

The Newspaper Club

The newspaper took on many new elements this year. *The Specter* evolved into a new and original tabloid, sponsored by Mrs. Kay Grimsley. It was also, for the first year, published at the Herald-Tribune, instead of the office printer. In previous years *The Specter* had always been run by the yearbook staff. This year the newspaper was run by its club. Anyone who was interested in having his or her grand works published could do so. What a great once a month event!!!

The National Honor Society is the highest academic achievement that any high school student can earn. To be a member of this elite group, you have to earn a 95% average or better. If a student can maintain this average through their high school career, they are then able to graduate with the highest honors possible. These students have a step on the future, and they should be commended for their drive to be the best overall individuals they can be.

Bye Bye Birdie

The Thespian Club produced a truly professional production of the musical comedy, *Bye Bye Birdie*. Planning for the performance began in August at the first meeting for the organization. Auditions were held in January for the major roles, and practice went underway in February. The cast and crew met with Mr. Enneking, the play director, and Mrs. Gray, the vocal instructor and accompanist, frequently for approximately two months. The last three weeks of practice were held every night, and dress rehearsal occurred the last week of practice.

The production was performed on May 1 and 2 in the high school auditorium. The play's plot revolved around the main character, Albert Peterson, who was played by Gary Swain. Albert was a down and out music writer who conjured up a gimmick to make money for himself, along with his secretary, played by Lori Green. The plan was developed to get teenage heartthrob, Conrad Birdie, played by Jim Hutson, to travel to Sweet Apple, Ohio, to give Kim McAfee, alias Cindy Wirth, one last kiss before he entered the army. The event was to take place on *The Ed Sullivan Show*.

The play was a great success, thanks to Mrs. Gray, Mr. Enneking, as well as the cast and crew members.

SPORTS

"A Season to Remember"

The "Season to Remember" began on August 11th, at 8:00 in the morning. For the next two weeks the team participated in the annual double sessions which lasted 6½ hours a day.

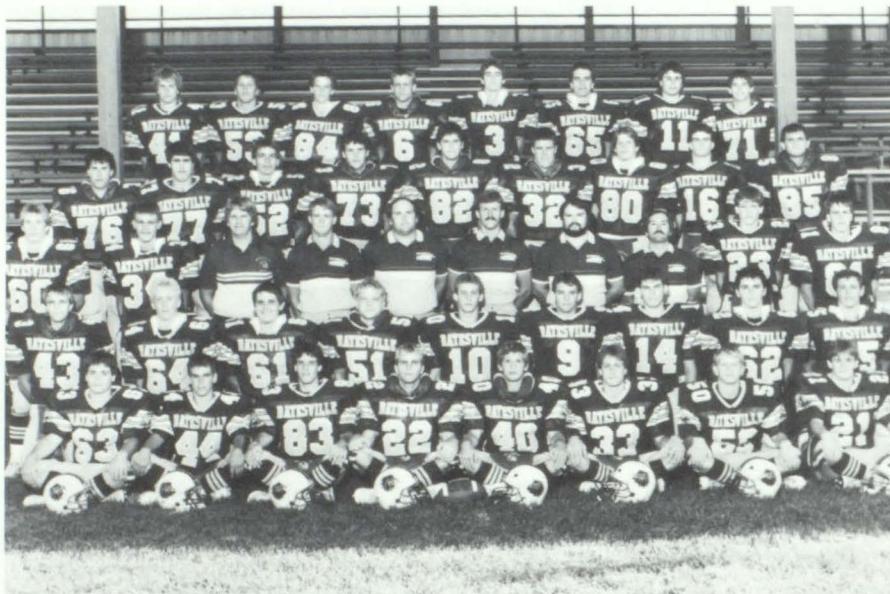

After those two weeks of practice, the Bulldogs traveled to East Central for the Jamboree. The Dogs played fairly well tying Lawrenceburg and losing to Brookville. After another week of practice the regular season began at Milan. After defeating Milan, the Bulldogs went on to beat both Frankfort and South Dearborn.

A slump of sorts ensued and the Dogs lost three straight to East Central, Lawrenceburg, and Greensburg. The team regrouped and were victorious in their last two games of the regular season, against Brookville and Rushville.

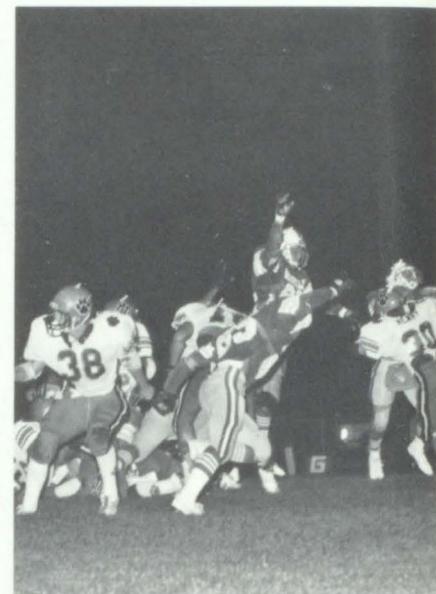

The Bulldogs entered the playoffs healthy and confident. The first two sectional games were exciting victories over Edgewood and Providence. The next week Batesville captured its first ever sectional championship by defeating the Brown County Eagles. After a week of prac-

tice and celebration, the Bulldogs traveled down to Princeton to battle for the regional championship. Even though it was a very close game the Dogs came away with the regional crown.

After celebrating the night away at Princeton, the team returned home to begin practice for the semi-state game against Cathedral. The exceptional season ended that game when Cathedral just out played the Bulldogs.

Bump, Set, Kill

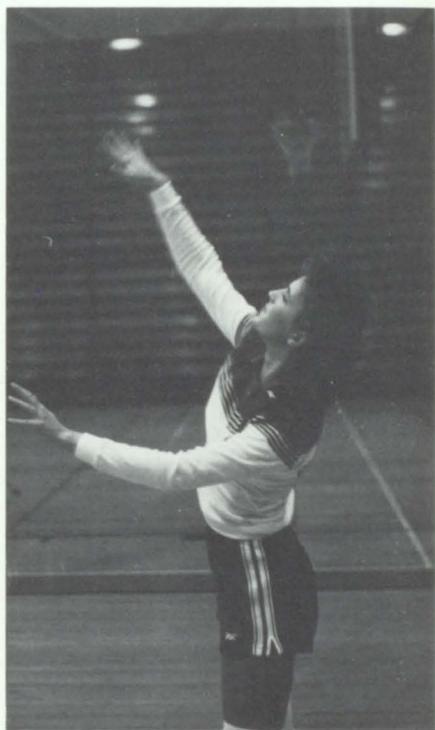

Coach Kay Grimsley's varsity volleyball team finished their season with an overall record of 9-11. The Lady Bulldogs were victorious over the favored squad, South Ripley, in the first round of sectional finals, but were defeated by I.C.A. in the second round of competition.

Special honors were awarded to Julie Amberger for MVP, Tina Dickman for high server, serving 91%, and Cindy Wirth, who received the Bulldog Award. Julie Amberger and Tina Dickman also received all-conference honor awards.

The reserve team, coached by Bernice Nobbe, bumped and set their way to a fabulous season record of 16-2. Kristy Meyer was awarded the high server trophy, and Bridget Prickel received the team's Bulldog Award.

Harmeyer Leads the Pack

The 86-87 boys cross country team had a very successful season. The team finished with a very fine 50-31 overall record. They also did well in post-season action, receiving third place in conference, first place in the county, and sixth place in the sectional. The standout runner on the squad was John Harmeyer, who received the team MVP award. Although all members contributed to the success of the team, senior John Harmeyer really climaxed his career

by winning the county tourney, sectional, and regional titles. He finished third in semi-state, and eighth in state competition! He was also named All-State and Academic All-State by the coaches. These were the highest honors a Batesville runner has ever received. Jeff Hunteman and Bill Mack were the Bulldog Award winners. The cross country team loses a big part of their team for next year, but they expect to be very strong in the future.

Run for Your Life

The 1986-'87 girls varsity cross country team consisted of six members. Their over all record was 12-18, and they finished third in the conference, third in the county, and sixth in the sectional. Fern Walker was voted MVP and Tonia Fitch received the Bulldog Award. Tonia also won the county meet and set a school course record of 16:34. Tonia is just a freshman; therefore, we will be looking for her to bring home many more victories and record time.

This is almost as good as the Boston Marathon.

A Fine Season

The boys' tennis team did very well this season, finishing with a 10-1 regular season record, including a 5-0 conference record. Despite such a good record, BHS finished a very upsetting third in the EIAC and Sectional tournaments.

Fred "Frotha" Sagester was named All-Conference, as well as being the team MVP. Fred had a 15-4 overall record, which makes BHS record books.

John Moore and Jeff Olsen, #1 doubles, finished the season with a 14-3 record which also makes the BHS record books for a doubles team's overall record.

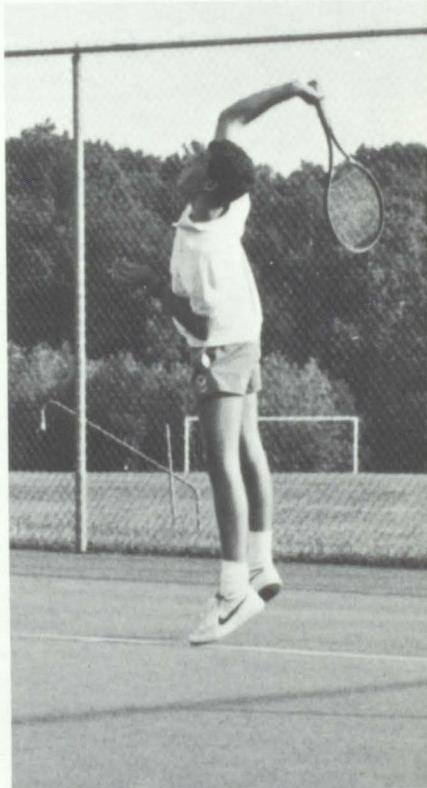

This year's Bulldog Award winners were Randy Jordan and Chris Doll. They expressed great leadership and determination.

Coach Charles Schuck coached his first season with BHS. He will be looking forward to many more of his players calling him Coach "Chaz."

Batesville High School Wrestling

The Batesville wrestling team finished the season with a 4-10 record. Working with a young team, considering three seniors, has turned this past season into a building year. Mr. Scalf looks to the next years as a good opportunity to try to capture the conference and sectional crown. The highspot for the Bulldogs was Ted Nobbe's participation in semi-state competition. Other seniors were Tim Salatin and Rick Hertel.

The Bouncing Lady Bulldogs

The Lady Bulldogs had a tough season this year. Though winning against some of the more difficult teams, the ladies fell short when playing weaker opponents. The record for the Dogs was 8-10.

The girls lost to Milan in the first round of the Ripley County Invitational. In the first game of the Sectional, the Ladies lost to Jac-Cen-Del, a team which they had beaten earlier in the season.

The reserve girls were quite fortunate this year. Their record was 15 and 3, and they were 5-0 in the conference. Coach Brebberman is looking for a strong team in the next few years.

Bulldogs Meet with Success

The varsity boys' basketball team finished the season with a winning record of eleven and nine. Of the nine losses, four came at the hands of the sectional champions, East Central. The rest of the games were lost by only three or four points. Leading the team this year were seniors Steve Galle, Jeff Griewe, Mark Martin, and Andy Brebberman, and the junior combination of Tom Daily and

The 1986-87 Batesville Bulldog freshman basketball team finished with a very fine 13-3 record. The team did very well in the EIAC tourney, finishing runner-up. David Wolferst. There were also underclassmen who came off the bench and played several minutes of quality basketball. Steve Galle was named Academic All-State, All-Conference, MVP, and was also one of two all-stars on the team. Andy Brebberman, David Wolferst, and Jeff Griewe were also award winners.

The Reserves, coached by Mr.

Evans, had a successful season of twelve wins and eight losses. Of their twenty games, fifteen were decided by five points or less. Leading players and scorers for the reserves were Greg Wiegel, Jason Laudick, Rick Ehrman, Tony Dulin, and Matt Laker. The Reserves were also Tri-Champions in the EIAC with a record of three and two.

Lifters Add to the Cheer

The Cheerleaders for this year, led by their sponsor Sandy Wiley, did a tremendous job of promoting school spirit in our numerous pep rallies, as well as cheering for all varsity football and basketball games.

Cheerleading is the longest sport season in the program, lasting nearly nine months. It begins in June as they start preparing for camps, where they learn many new cheers to perform for the fans. Throughout the rest of the summer, they develop new ideas and put on money-making projects until August when their season officially starts with the Jamboree, held this year at East Central, and ends at the final game of basketball.

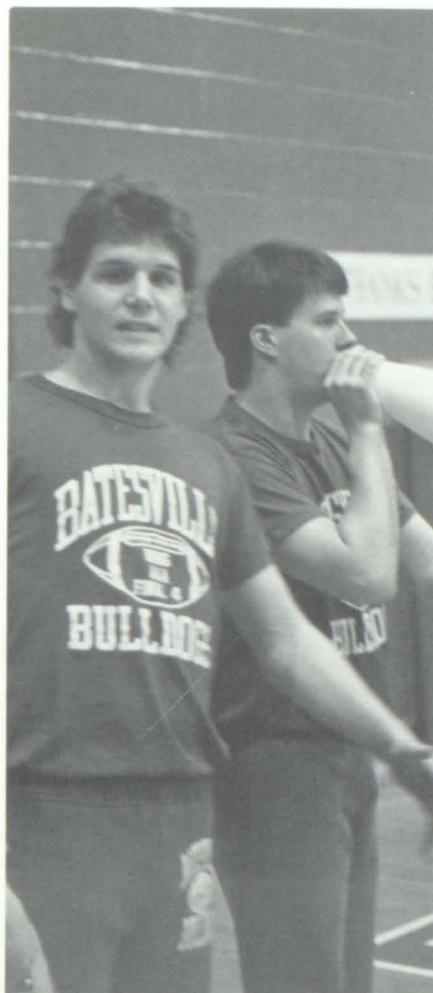

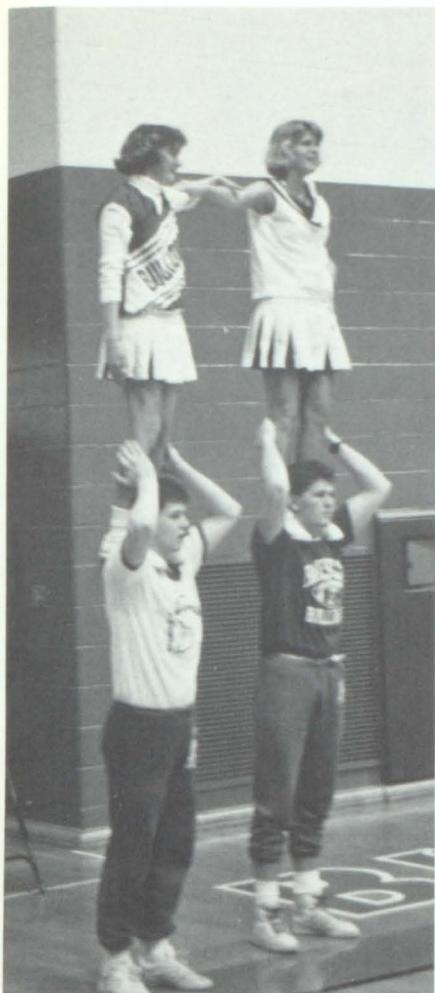

This year's cheerleading program added a new dimension, the lifters. These boys were football players who elected to help out during their off-season. To train these eager volunteers, cheerleaders from Ball State were invited to BHS to teach them basic stunts and lifting techniques.

A Stroke of Success

Outstanding team members were juniors Mike Fleck, Jeff Olsen, and Rick Hertel. Fleck advanced to regional play, but was unable to qualify for the state competition.

Mike Fleck was recognized as the team's most valuable player.

A Smashing Season

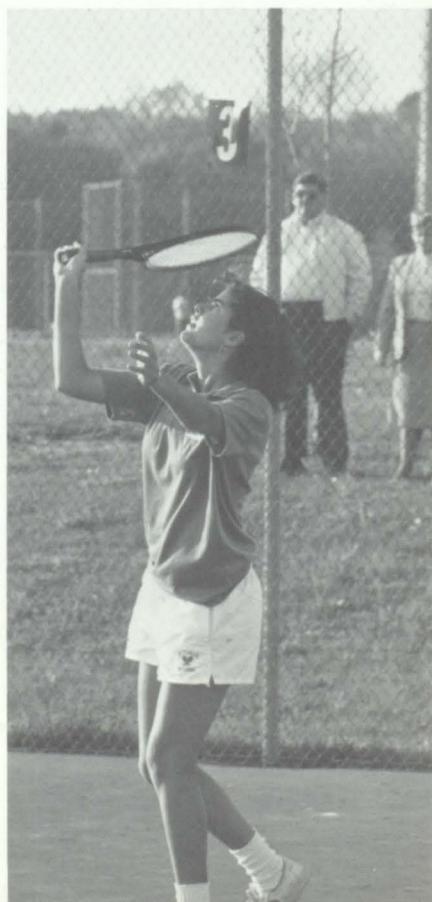

It was a smashing season for the ladies' tennis team this year. With the return of all seven varsity players and a new coach, the team had a winning season. They started off slowly, but as the season progressed, their determination kept growing and they finally pulled out a victory over South Dearborn. Following that match the ladies claimed four more winning titles. The season drew to an end as the team lost to the sectional champions, Greensburg.

Cristin Sigmon was awarded MVP by her fellow teammates and Joleen Hales received the Bulldog Award. Joy Cochran was awarded the Junior Varsity Bulldog Award.

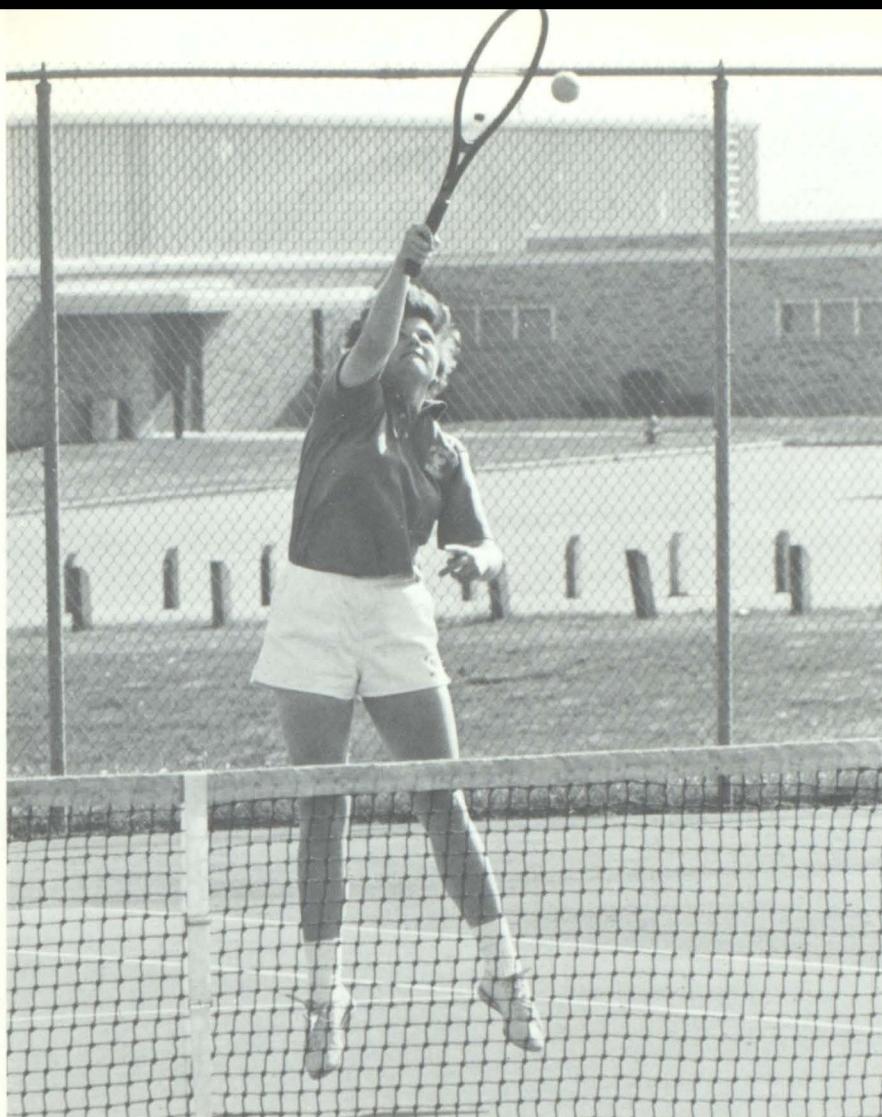

The season was full of many exciting events for the tennis team. There were no dull moments on or off the courts. They will never forget the sweltering practices with the quenching refreshments furnished by Joleen, the Chinese Fire Drills, Conference, where's the book, breakfast at DQ, frozen Snickers, and the famous punch. The girls had a wonderful time and will always remember the smashing season of '87.

Harmeyer—Seventh in State

John Harmeyer led the boys' track team to several victories this year as a result of his expertise in the 3200 meter run. He took first place honors in the sectional and regional meets. Harmeyer set a new school record in the event with a spectacular time of 9:20.2. He advanced to IUPUI for the state finals, where he finished seventh.

Juniors Tom Daily and Tony Dulin also advanced to regional competition as field event contenders. They both high jumped 6'4" to qualify for the meet. Sophomore Greg Hodges also worked diligently in various sprint events, and showed great

potential as a sprinter in the future. Another future prospect is Jay Brinkmoeller, who was unable to participate in track this season due to a ruptured disc.

The team finished first over South Ripley, Milan, and Jac-Cen-Del in the All-County Meet. They also won the Switzerland County Invitational ahead of seven other teams. Batesville finished sixth at sectional out of twenty-four schools.

Award winners for the track team were Deron Reynolds, receiving the Bulldog Award, and John Harmeyer, the team's most valuable player.

What a Hit!!!

An inexperienced, but young and talented softball team greeted Coach Lamping in the first year ever for fast pitch softball at BHS. The girls finished with a respectable 5-6 record, battling injuries late in the season.

"Hats off" to Michelle Westerfeld, the team's only senior, for her leadership and fine play at shortstop and a big welcome to the future where the outlook looks bright.

The Lady Bulldogs were led offensively by sophomore Shelly Meyer, who was named MVP and also took batting honors sporting a .436 average. Debbie Voegele, sophomore, was also a 400+ hitter at .444, going 4 of 9 at the plate. Meyer also led the team in at bats (39), hits (17), runs (22), and stolen bases (22). Freshman Tammy Prickel tied Meyer for the team lead in triples with four. Westerfeld and freshman Jennifer Starost tagged the only home runs of the year and sophomore Sheryl Linkel was the R.B.I. leader with sixteen. Junior Barb Schrader was honored with the Bulldog Award.

A sixteen player team, consisting of thirteen freshmen and sophomores, should provide exciting action and many accomplishments in the years to come.

Fun in the Sun

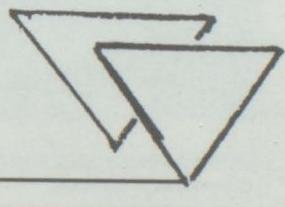

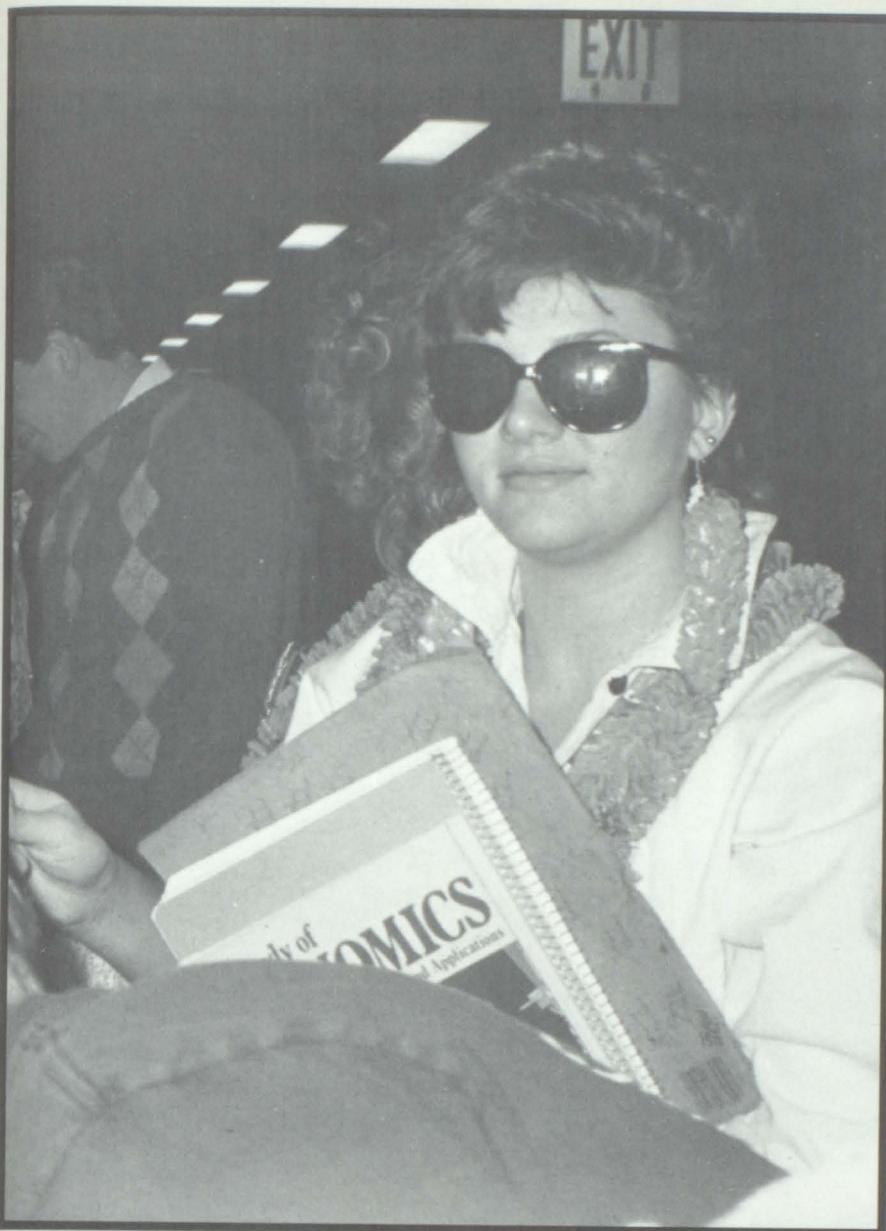

Imagine yourself on a sun drenched beach in the tropics. Hues of blue roll lazily onto the crystal white sand. As you relax there, the sound of the surf hypnotizes you into a dreamlike state. Step by Step to Heaven

Prom preparation began in the fall of 1986 when Mr. Wuestefeld, junior class sponsor, solicited for a select prom committee. These people chose the theme of the prom, "Heaven," as well as the colors, pastels of blue and pink. They also elected to distribute champagne glasses at the close of the affair.

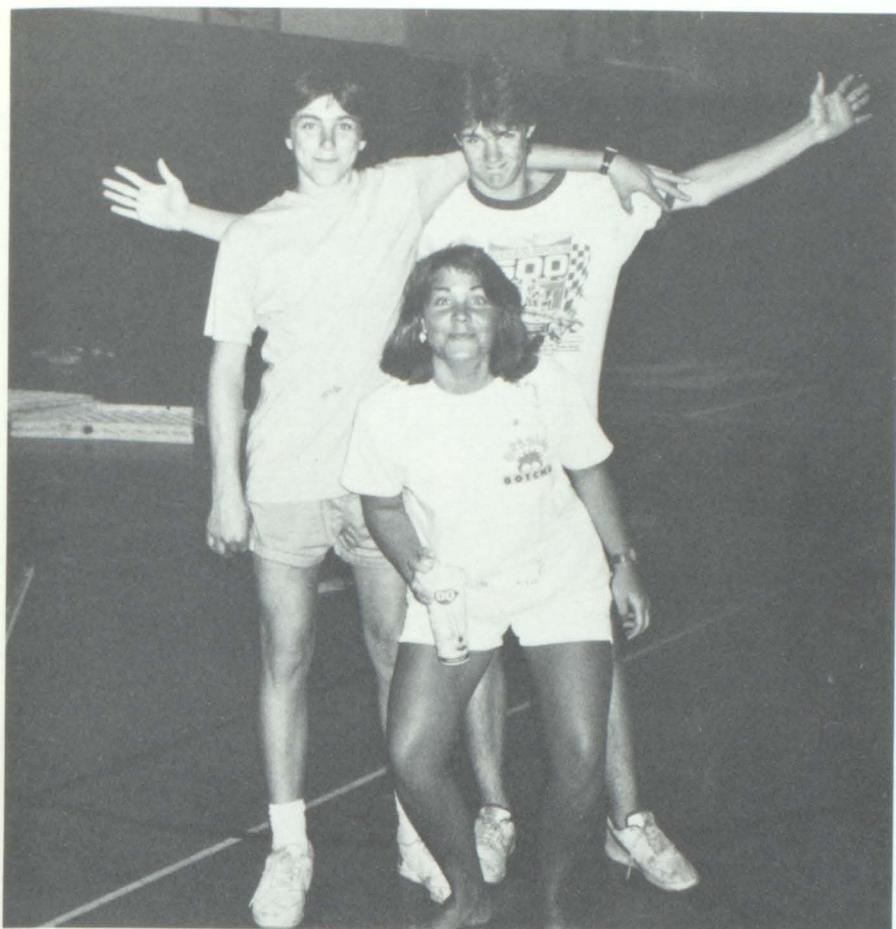

Many of the junior "angels" were instrumental in the preparation of the most heavenly prom. They did have a devilish good time, despite the long hours of work. The evening wouldn't have been such a smashing success without the leadership of Mr. Wuestefeld and the artistic expertise of Mr. Vicars.

An Evening on the

Lovely pastels of pink and blue set the mood for a night in heaven. Upon entering the picturesque ballroom, all were greeted by billowing clouds rolling through the skies, as other guests swayed to the soft music beneath a starry sky.

The extravaganza began at 7:30 p.m. with memorable pictures being taken before a pink and purple stairway. Several freshmen attendants welcomed the guests and presented them with refreshments throughout the evening.

As the clock struck 11:00 p.m., Fern Walker and Todd Gigrich were escorted to the front of the dance floor and crowned king and queen of the 1987 Prom.

Right: "On The Edge" presents the 1987 Prom royalty, Fern Walker and Todd Gigrich. Below: Who's taking whose picture?

Stairway to Heaven

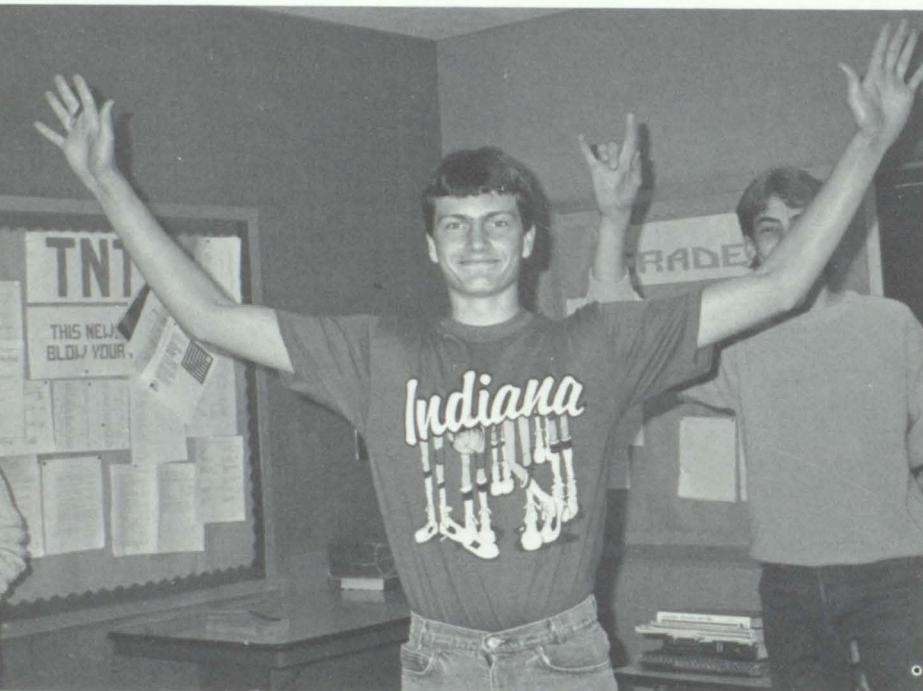

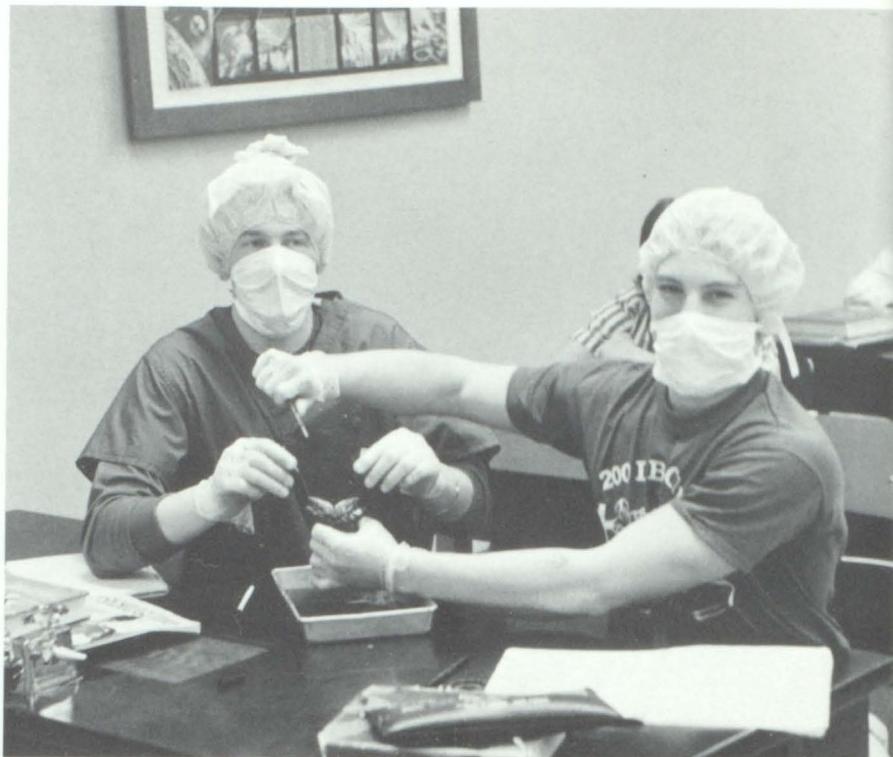

Above Left: Kim Hill and Barb Schrader—two true characters. Top: Brad, take a lesson from Joleen on how to show off those pearly whites. Above: Phil Dall and Doug Brown—"Coffee, tea, or me?" Left: The gang's all here, stepping out in style—Carlo Goldsmith, Mindy Meer, Julie Amberger, and Amy Ilderton.

Not Ordinary, Extraordinary

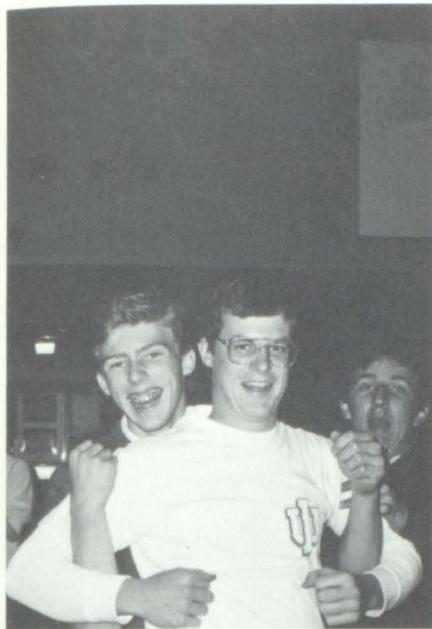

Days came and went as the school year dragged on forever. Just one ordinary day after another occurred. Yet all of the days were not so mundane. There were a few exciting occasions. Do you remember Slave Day? And what about the numerous smoke bombs and fire crackers which went off periodically in the gym and stairways? It seemed like every other week was the Fourth of July!

Someday we will forget all of the "ordinary days," but the extraordinary events that happened are what we will never forget.

Top right: Freshmen Doug Brown and Tony Schantz portray "Young Doctors in Love." Above: Are we "studs" or what? proclaims Matt Laker and Steve Amrhein. Right: Alyssa Wissel looks dazed and confused.

Above: Stephanie Dickman, "wake up and smell the coffee!"

Top left: Clint Nuhring, Dan Baumer, and Rob Schebler—always the "cut ups." Top middle: Victor "Vicars" Sarrinhaus creates a self portrait. Above: David Murray asks Jared Laudick what makes him the "perfect angel."

Graduation—The Beginning and the End

Looking back on one's high school career, it seems difficult to believe that it was only four years ago when the seniors first arrived at B.H.S. During the four years many changes and adjustments were made, but then it was finally time to take those final steps up to accept their diplomas and receive the final handshakes from administrators.

Baccalaureate and Commencement exercises were held on May 23, 1987, at the football field. The class of '87 saluted their valedictorian, Trevor Moeller, and salutatorian, Rick Wilhelm.

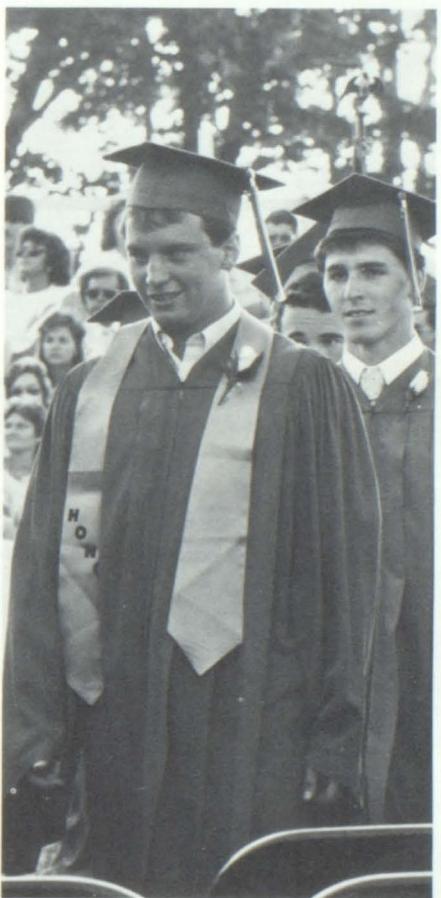

After all the caps had settled back down to earth, and all the congratulations had subsided, the realization began to hit that this event marked the end of the era of the class of '87. For some, college awaited them in the fall, and for others, careers soon began.

Top Left: Is this a time for a speech, Amy? Top Right: Leah H. looks petrified to graduate. Above: Shouldn't we be smiling, Alyssa? Right: What are we to do with these things?

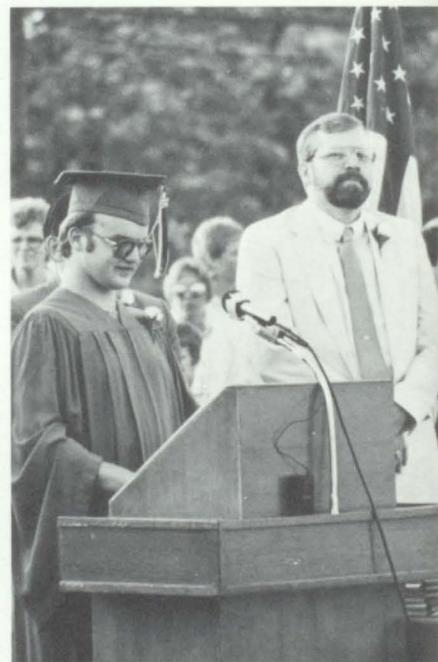

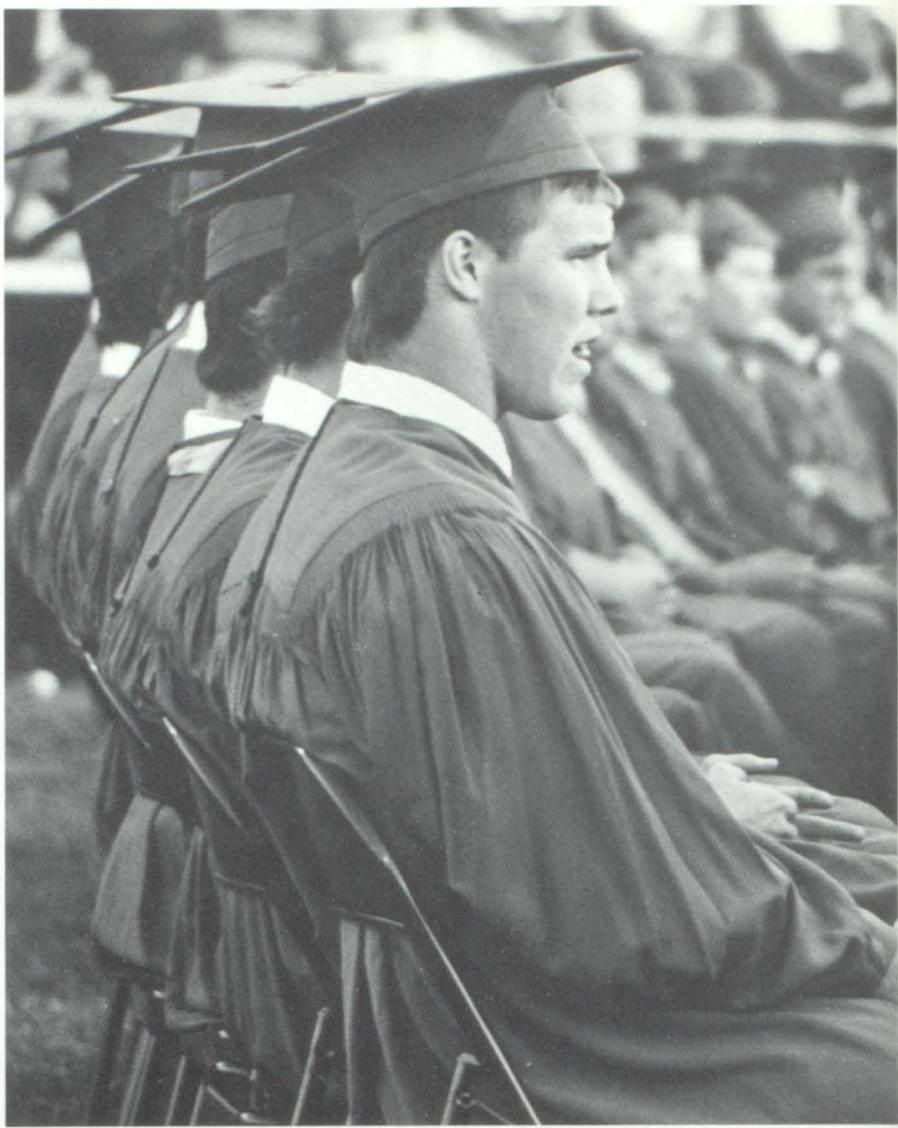

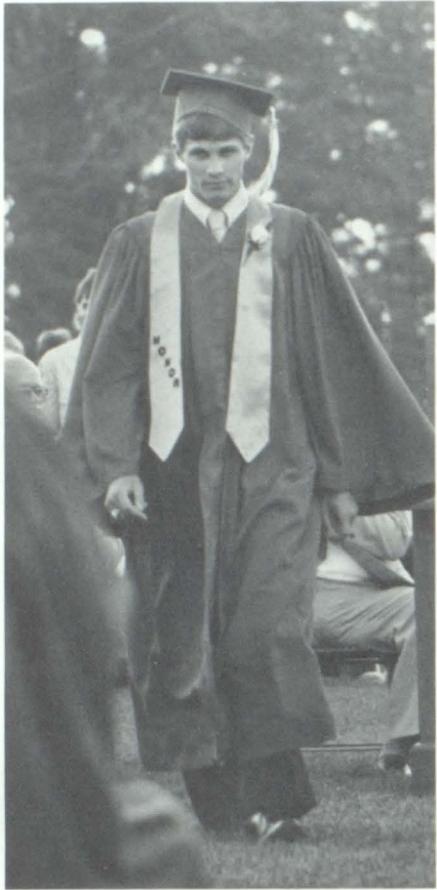

Left: "Look Missy, it's a camera!" says Alan.
Below: "Do you really think you're going to take my picture?" asks Tina.

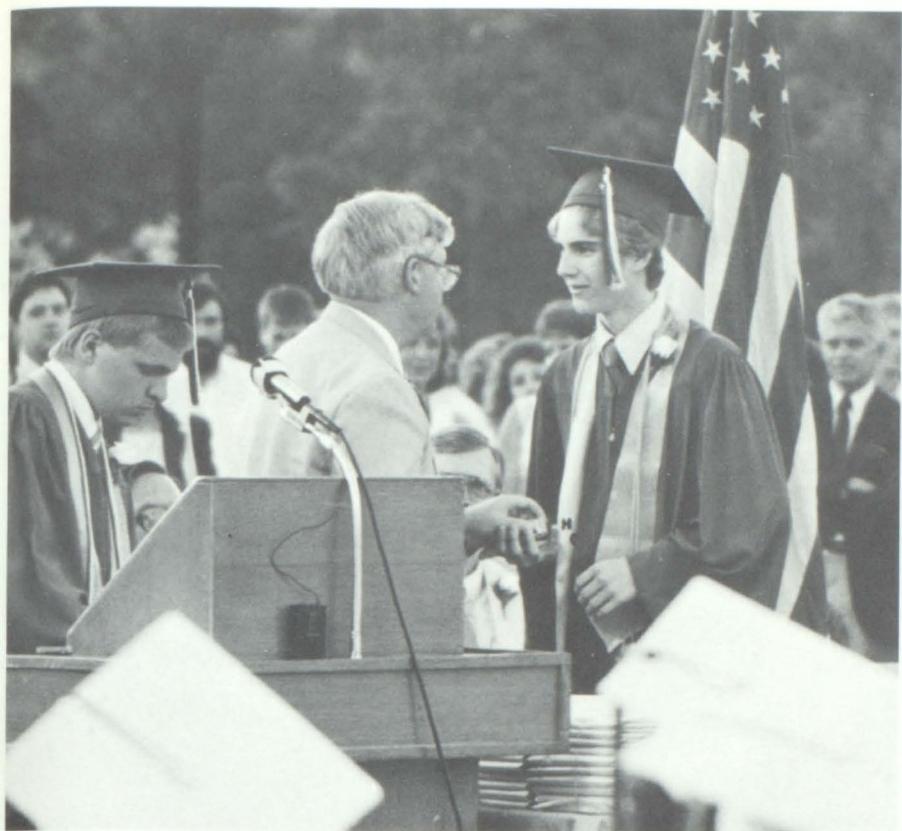

Left: I wonder who Cheryl is looking at.
Above: Does Mark think his hat is going to fall off?

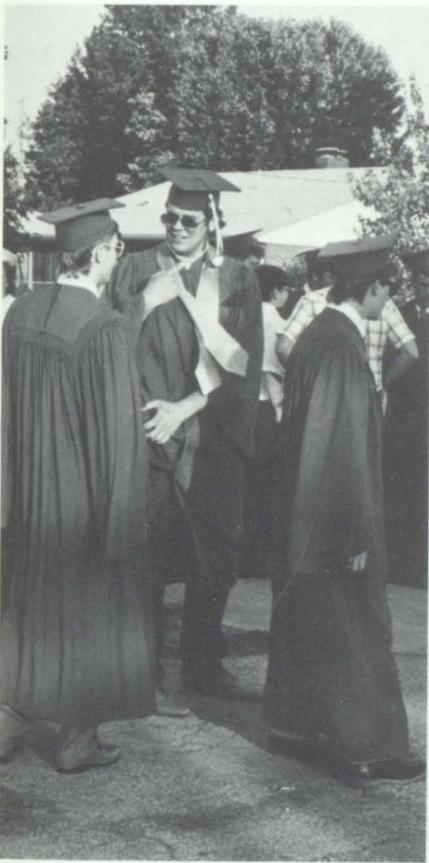

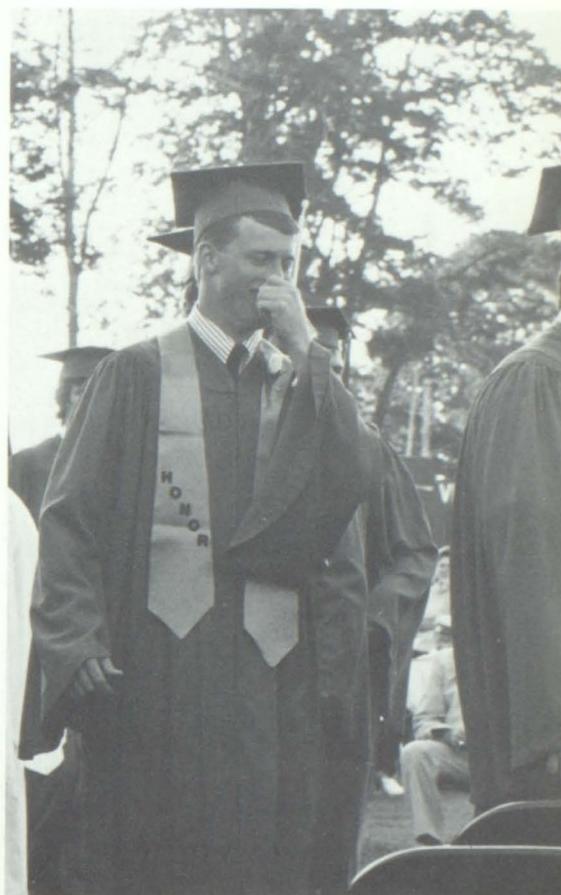

Right: Tim thinks, "Is this ever going to end?"
Below: John, if you're so intelligent, why is your hat on sideways?

Above: Lori Green and The Supremes. Right: Billy made an excellent speech.

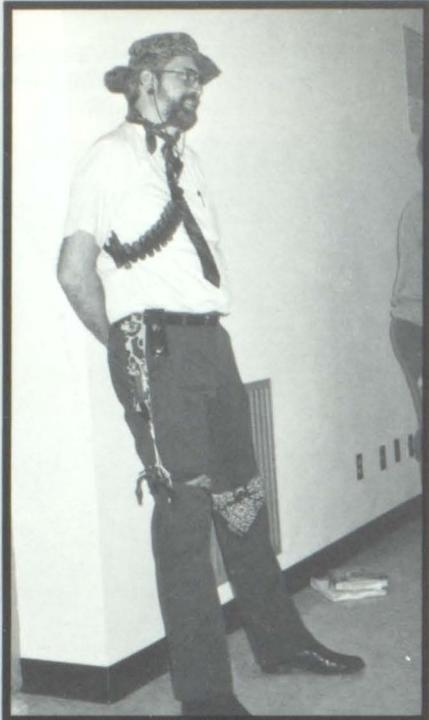

Left: Trevor Moeller is greeted warmly by Mr. Lemen. Below: Steve Galle is trying to stay composed.

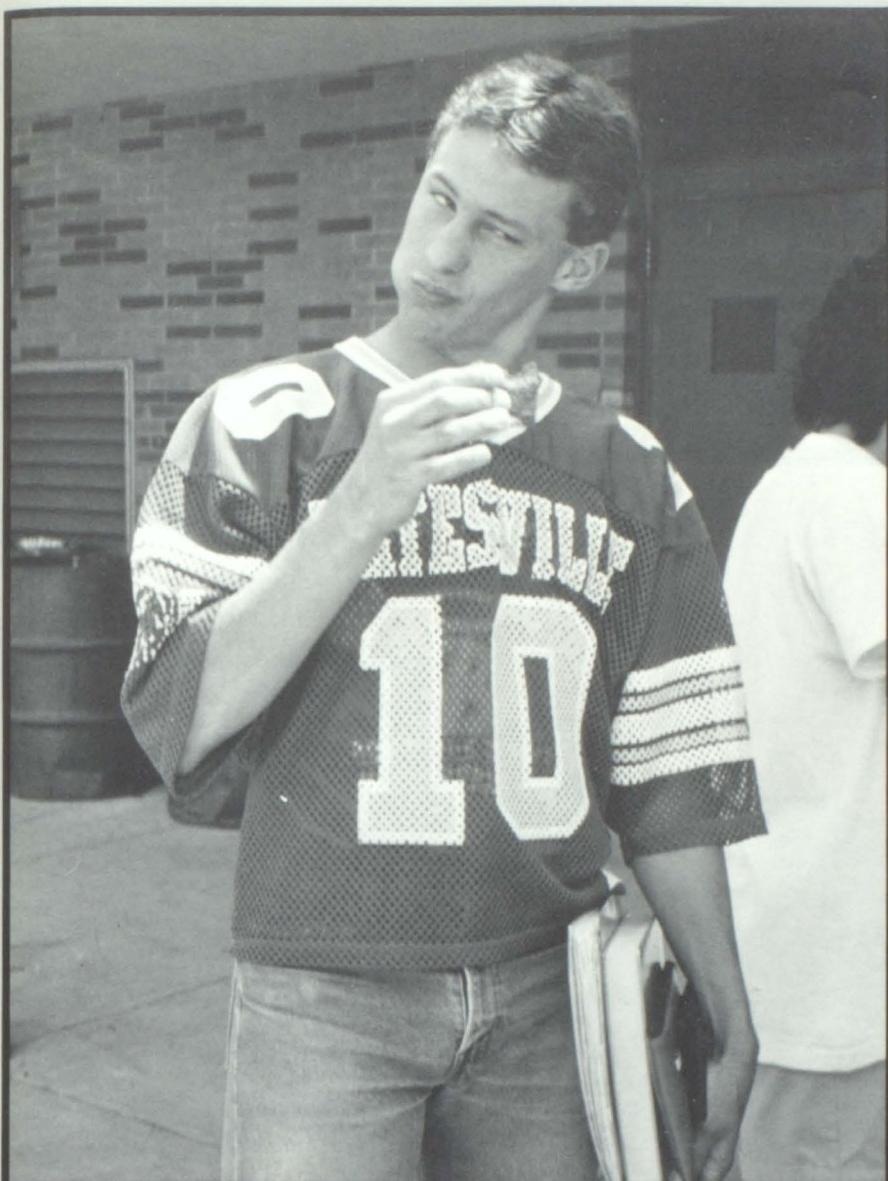

Above Left: "Is that a gun in your pocket, Tony, or are you planning a sting operation?" Above Right: Did you forget to attach your other hand, Mindy?

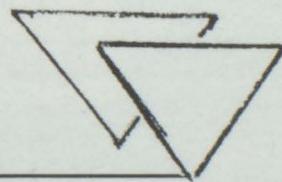

Over The Edge

Top left: General Milz is prepared to confront the cafeteria militia. Top Right: Juniors show their enthusiasm on Student Activity Day. Above Left: The gourmet cooks of BHS concoct meals for the teachers. Right: Watch out, Hulk Hogan, here comes Dano!

Left: Be a gentleman, Andy, and swallow it.
Below: Michelle, did you have a little trouble
deciding which shoe apparel to wear? Below
Left: . . . And what are your views on nuclear
disarmament?

GAME PLAN

Success in basketball requires plenty of training, good coaching and team play. And it requires a game plan!

At McDonald's, our game plan is simple. We have the team to produce winners every season.

Winners like Quarter Pounder Sandwiches (weight before cooking 4 oz., or 113.4 gm.), Big Mac Sandwiches, Golden French Fries, and Thick Shakes.

And our game plan includes careful handling. We never drop the ball when it comes to service. Prompt and courteous—whether you're home team or visitor.

So, before or after the next battle on the hardwood, include McDonald's in your game plan.
